

GL8818 Modern Comfortable Best Hi Vis Winter Workwear Jacket for Men with Soft Stretchy Fabric

Short Description:

This is a modern safety winter workwear jacket for men, with mechanical stretched fabric, segmented reflex

Product Introduction:

It's a modern mens HIVIS safety water proof workwear . The outlook is very attractive.

The jacket is HI-VI yellow combined HI-VI orange color. Not only Hivi yellow or orange. It's a new trend for the Hi vis workwear.

The fabric is 70D twill polyester with mechanical stretchy, it can provide more space when working. The HI-VI orange zipper tape with black tooth in front, also the pocket zipper-It's matched to the fabric color, but also makes the jacket more colorful.

We use the neoteric geometry reflective tape in the body to make safe. The short velveteen fabric in the collar inside make you comfortable and warm. There is the soft stretchy knitted fabric to keep the wind outside.
